

**Our band, “Moving Pictures”** is a high-energy tribute show to the greatest rock band in the world, “RUSH”. For over four decades, RUSH has remained a staple on the radio and concert scene domestically and internationally as one of the supreme groups in rock music. RUSH places third behind the Beatles and The Rolling Stones for the most consecutive gold or platinum studio albums by a rock band. **Moving Pictures** focuses on RUSH’s trademark, eclectic lyrical motifs and unique vocal style by infamous lead singer Geddy Lee, mixed with the guitar assault of Alex Lifson and Geddy Lee’s and Neil Peart’s solid rhythm section as the driving force of talent...”Tom Sawyer, **Limelight, The Spirit of Radio, Free Will, 2112, YYY, Subdivisions, Fly By Night, Closer To The Heart, The Trees, etc.** are just a few of the many high-end radio songs lingering in our deep hearts forever.

Our base is New York City and it takes very special musicians to take on RUSH’s often-complex composition in a talented area of the world. Our Group **Moving Pictures** offers you the extreme best; the members of the band having many solid years of national and international touring. **Moving Pictures’s** lead singer **Sean Minardi** flawlessly recreates Geddy Lee’s impressive vocals, while **Vinny Manfredi** lead guitarist emulates with precision the technique of the guitar riffs that made Alex Lifson a guitar master. Rounding out the band, driving the beat is the thunderous and at all times boisterous rhythm section—bass guitarist and backing vocalist, **Warren Kitt**...famous in his own right masterful drummer **Mr. Sean Minardi** are an asset to this successful tribute. Together, they truly have excellent musicianship and give it their all. RUSH fans will fall in love with Sean Minardi’s lock-down on Geddy Lee’s voice and performance. Our **Moving Pictures** show recreates all of RUSH’s Greatest Hits spanning four decades with a faithful, distinctive sound that instantly ignites audiences to their feet.
